

Vision LED Applications

Philips Vision LED lights have been tested with luminaires for specific functions of certain car models, and for these tested luminaires, the beam pattern measured fulfills the requirements as stated in the SAE standards.

Brand	Model	Year range	Function	Original Bulb type (ECE name)	Original bulb type (SAE name)	Philips LED part number
BMW	X1	2014	Stop/Tail	P21W	1156	12839B2
Chevrolet	Camaro	2014	Stop/Tail	W21/5W	7443	12835REDB2
