Your VitaBreath feedback or story:

- Tell us something about yourself
- What were some of your most challenging moments, prior to using VitaBreath?
- When you look to the future using VitaBreath, what do you see?

Thank you!

If you are happy for us to share your feedback or story with others interested in VitaBreath then please complete the bottom of this form, indicating that you agree to the following terms (optional):

1. You assign to Philips the copyright and all other rights in your contributions for use in all media now known or which may be developed in future and you confirm that your contribution(s) will not infringe the copyright, or similar rights, of any third party.
2. You agree that Philips may edit, adapt, or translate your contribution(s) and you agree not to exercise any "moral rights" (under The Copyright Designs and Patents Act 1988) you may have against Philips in respect of any uses of your contribution(s) pursuant to this consent or against any third parties who have been authorised by Philips.
3. Philips will be liable for any loss or damage to you, or your property, but only if it is directly connected with this engagement and caused by Philips's negligence.
4. You agree that your contribution(s) will not bring Philips into disrepute or be defamatory but you will not be liable in respect of defamatory material which is included without negligence or malice on your part.
